### The Solemnity of Our Lord Jesus Christ, King of the Universe

The last Sunday in the Church's calendar is celebrated as the Feast of Christ the King. The thinking is that if we have followed with devotion the liturgical unfolding from Advent until now, we cannot but conclude that in Jesus we have a King. However, the question is: What type of King? We are aware of earthly kings with territorial jurisdiction and tenures decimated constitutionally in time or by death. If Jesus is King: is He King of where? How long will His reign be, and what is the guiding light of His Kingship? To these questions we answer that He is the King of the Universe, the King of Kings, and Lord of Lords. We answer to the fact that His kingdom and His kingship are eternal; and that it has no beginning or an end. Lastly, the guiding light or philosophy of the kingship of Jesus is truth. For centuries **what is truth** has bothered many thinkers. However, we all know what it is not. Truth is not the obscuring of what is and of who we are as the children of God. Truth is knowing who we are and being happy about it: Children of God made in His image and likeness. Knowing this brings us to evaluate our membership of this Kingdom which He inaugurated. The chief mark of belonging to the Kingdom of Christ, is seen in obedience to His commands and following in His footsteps. This is why Jesus said in the Gospel that all who are on the side of truth listen to Him. One thing Jesus asks of us as members of the Church is attentiveness to the working of the Spirit in the Church. That Spirit calls us to reappraise the authenticity of the good news and the call to holiness as pure and different from the scandals that have come to engulf the church today. As Advent begins next week and the new parish structures are inaugurated, our spirit of church and determination to renew and grow our faith will be tasked. We will need to trust that it will be okay, we will need to reach out to our family members who have slacked in the faith and those we know who have been bruised by our corporation and administrative negligence. So, let's pray and make it the season to renew our faith and strength to be true disciples of our King. We are still brothers and sisters on the journey to the kingdom. Happy feast day and don't let that light of faith die in your hand.
